

# Bull Dog Alumni Hall of Fame Nomination Packet

## Nomination Criteria:

### Who can be nominated?

- Nominees must be Alumni of Columbus High School or Columbus North High School.
- Nominees must be Alumni from at least 20 years prior to the date of nomination.
- Nominees may have excelled in a wide range of areas such as fine arts, performing arts, business, education, health care, journalism, law, literature, media, public service, science, sports, or other areas; there is no common area that all nominees must represent.

### Who may nominate?

- Nominations may be submitted by alumni, parents, current students, Columbus North faculty or staff, school district administrators or any interested person.
- Alumni may not self-nominate.

### Criteria for selection:

- Hall of Fame inductees will be selected based on the degree to which nominees demonstrate truly exceptional accomplishments, achievements, character (The Bull Dog Way), and service to others over the full span of their lives after high school—in their primary career and in outside activities such as community service, religious, and other public service organizations.
- The nomination should thoroughly document the nominee's exceptional history in these categories:
  - **Honors and Awards**--This would include **recognition by others** both in the nominee's life work and in outside activities such as community service, charitable organizations, professional organizations, etc. Nominations should describe the exceptional nature of the award(s) and the size and breadth of the organizations bestowing the honor or award.
  - **Accomplishments and Achievements**--This would include the **positive impact on others** both in the nominee's life work and in outside activities such as community service, professional organizations, charitable

organizations, and hobbies. Nominations should describe the size and scope of the communities impacted (number of people impacted over what area or institution) as well as depth and longevity of the impact (what kind of impact and how long the impact will last).

- **Respect, Responsibility, Relationships**--These three areas are the cornerstones of **The Bull Dog Way**, an initiative that Columbus North High School has used for over ten years. This would include personal values, attitudes, and behaviors that cause the nominee to stand out in a positive way and be admired by others. Nominations should provide examples of how the nominee demonstrates Bull Dog values such as respect for others, taking responsibility, and building relationships in his/her work, life, community service, leadership roles, etc.

### **Process Guidelines:**

- Nominations should include the correct name and contact information for the nominator and the nominee.
- **It is the responsibility of the nominator to provide all information necessary to fairly represent the qualifications of the nominee.**
- Complete nominations have a **deadline of May 1** of each calendar year to be considered for selection and induction in September of that year. Nominations received or completed after May 1 will be considered for the following year.
- All completed nominations will be considered for (3) consecutive nomination cycles.
- Nominators should include a name of one additional person as a reference who may be contacted to verify information in the application.
- The nominator will receive confirmation that the nomination has been received.

Buzz always gives a helping hand when it comes to children and donating his time to bring joy to their lives. One child, Andy, always said Buzz is around when he needs him. While Buzz would never consider himself as a hero – he brings joy to so many, like a new toy on Christmas. Buzz is past president of the Space Rangers Association (2001 - 2004). He was also the Theme Park Captain of the Greater Orlando United Way Campaign (2005 - 2011) and Vice President of the Orlando Chamber of Commerce (2012 - 2014).

**Respect, Responsibility, Relationships** (The Bull Dog Way):

Buzz, among his peers, is considered one of the most loyal friends you could ask for. While on assignment, one case put him in grave danger. Buzz's best friend – Sheriff Woody – was kidnapped. Buzz led an extraction team, given the responsibility to find and bring Woody home. After weeks of trials, nearly losing a few team members along the way, Buzz and his team brought Woody home without injury. Rex – the Ops. Coordinator – was quoted, “without Buzz at the helm, we would’ve been doomed!” – New York Times Feb. 2000.

Other relevant information: Still active duty today, with his last mission coming in 2019.
