## Newsletter of Columbus / Columbus North High School Alumni Association

### Message From Our President

Dear Bull Dog Nation,

The Bull Dog Alumni Association, along with dedicated alumni, faculty and staff, and current students worked hard to make the 150-year milestone a memorable experience in many ways as we celebrated the rich tradition of Columbus High School/Columbus North High School. It was truly a remarkable effort and one with multi-generational participation: from members of the Columbus High School class of 1944 to the Columbus North High School 2019 student leaders. I wish to thank everyone who helped make this celebration a huge success! I especially wish to thank Hedy George, our executive director, for her Bull Dog persistence in leading the 150<sup>th</sup> celebration efforts. She received a well-deserved standing ovation at the May gala event.

The Four Freshmen Concert kicked off our 150<sup>th</sup> celebration. I thank Larry Ruble for this great idea and Janie Losure Gordon for running the show! Another special highlight included the establishment of the Veteran's Memorial Wall inside Columbus North High School in November 2018. Another significant commemoration spearheaded by co-chairs Tami Iorio and Janice Montgomery was the writing of a book entitled The Story of CNHS: 150 Years, which provided a comprehensive look at the history of our beloved school. Special thanks go to co-authors Larry Ruble, Terry Trautman, Kim Stover, and Julia Iorio; editors Bud Herron, Shirley Lyster, and Pat McKee; and book layout designer Roth Lovins. These individuals contributed greatly to this effort. If you do not already have a copy of the book, you will want one!

The capstone event held at Mill Race Center on May 11, 2019 reflected all the best of the Columbus North High School. The evening festivities included a video produced by current students with interviews of alumni throughout the generations, a performance of the current and alumni members of the Debuttees and Music Men show choirs directed by one of our Bull Dog alumni board members, Janie Losure Gordon, and the surprise appearance of Bartholomew Consolidated School Corporation Superintendent, Dr. Jim Roberts, in his cameo role as Elvis the King. The singing of the Columbus High School/Columbus North High School alma mater and school song provided a splendid finish for the evening.

The yearlong 150<sup>th</sup> anniversary celebration, which represented the true essence of the Bull Dog spirit, was not made possible without the help of many. I am sincerely thankful for all those who contributed their time and talents to make this celebration a fantastic success.

With the past 150 years behind us, your Bull Dog Alumni Association is dedicated to ensuring the future of Columbus North High School will be as bright as its past.

Yours in Bull Dog Service,

*Pete*

### School is Back in Session!

The 2019-2020 School Year is going strong at CNHS! Let's all be careful when driving in that 25<sup>th</sup>/27<sup>th</sup> – Maple/Home area.

There are just over 2,000 students at CNHS this academic year. At last count, there were between 35 and 40 languages spoken by this year's students.

You can stay abreast of what's happening at CNHS at:

<http://www.bcsc.k12.in.us/Page/1324>

One date to note right now is Homecoming on September 20. Always a great night to be a Bull Dog! Mark those calendars and plan to be at Max Andress Field in time for the 7:00 kick-off for an evening of gridiron action, additional festivities, and catching-up with other Bull Dogs!

Come out early, get a good parking space, and check out the Bull Dog Alumni Brick Plaza before the game.

The Brick Plaza (which now contains over 500 engraved bricks) is located just north of the school's main entrance and just southwest of the football field. Get your homecoming memories started early!!

## Go Dogs!!

Make Your Reunion Rock!

Reunion Smiles are Good for the Heart!!

Our third installment of Alumni Board profiles features Nathan Frasier & Sandy Hutton Carmichael.

### Board Profile – Nathan Frasier

Dr Nathan Frasier has been married to his high school (CNHS!) sweetheart Sarah for 12 years. They are the proud parents of sons CJ (age 7) and Cooper (age 4).

Nathan has owned and operated Frasier Chiropractic and Sports clinic and MVP sports for 12 years.

After graduating CNHS in 2000, Nathan attended IU (2003) and Palmer Chiropractic College in Davenport Iowa (2007).

As part of his education, Nathan was the president of sports injury club and traveled the country teaching sports injuries with a well-known sports chiropractor.

Since returning home he has been on Alumni Association board, CYP board, and has served as

president of local BNI group. He has been involved with coaching CNHS basketball (7 years), CNHS baseball (5 years), and youth soccer. He has served on the PAAL board, won Maverick award in 2009 for New and Emerging Business in Columbus, and, in 2009, was named one of the top 20 professionals to watch under 40 in Columbus.

Nate enjoys all things sports. He is an avid golfer and loves doing adventurous things, such as sky diving, cliff jumping, and bungee jumping. He hopes one of his boys will someday join him as his wife will not!

Nate enjoys rehabbing young athletes back to playing shape. Watching and helping them overcome adversity is what really keeps him going. He says, “I love learning a kid’s dream and helping him or her achieve it”.

### Board Profile – Sandy Hutton Carmichael

A 1967 Columbus High School graduate, Sandy has two children -- Stacey Horn and Brandon Anderson. Both are graduates of Columbus North. She also has eight grandchildren. Additionally, she has a rescue dog named Beau.

Her main interests and hobbies center around her grandchildren and supporting them by attending as many of their activities as time allows.

Last year, Sandy also mentored a student at Columbus North for her senior project and hopes to be a mentor this current school year. As a valuable board member of the Alumni Association, she enjoys working at various events sponsored by the association.

Sandy holds a nursing degree from Indiana University.

She spent over 30 years involved with the local Hospice center --- helping to start it and serving as its first director. The local center was named in her honor in 2013.

Since the early days of her involvement with Hospice, Sandy has been a statewide leader in promoting the Hospice concept.

Additionally, she helped originate Columbus' annual Labor Day weekend Hospice concert and has garnered numerous state honors including a Sagamore of the Wabash Award and the first "Legacy Award" given by the Indiana Association of Hospices.

She was among nationwide honorees at a White House reception hosted by First Lady Barbara Bush in 1991 for her work in pioneering the Hospice concept in Indiana and served as an American delegate to China as part of the first Terminal Illness delegation.

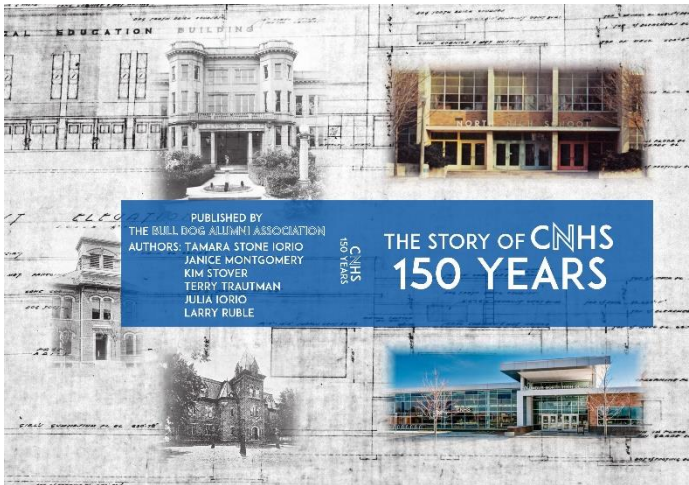

Sandy was inducted into the Bull Dog Alumni Hall of Fame in 2018.

**Thanks, Nate & Sandy!**

### *The Story of CHS / CNHS:* *150 Years*

If you don't already have your copy of our history book, **there are still some copies from our first printing remaining.**

The multi-authored, collaborative effort by several alumni and former BCSC staff to create the first printed history book of our school was an exciting adventure. The result became the first published history of the school; and we hope to use the momentum to build on collective, documented history, as well as to inspire current and future Bull Dogs to carry on the legacy!

You can pick them up at Viewpoint Books on Washington Street or the Columbus North bookstore.

For those of you not local to the Columbus area, online purchases can be made from our website (under the **SUPPORT** tab) at:

<https://www.columbusnorthalumni.org>

### NASCAR Hall of Fame Welcomes a Bull Dog

On May 22, NASCAR announced the inductees who will comprise the NASCAR Hall of Fame Class of 2020. The five-person group includes **Columbus' own Tony Stewart (CNHS '89)** along with Buddy Baker, Joe Gibbs, Bobby Labonte, and Waddell Wilson. The distinguished group will be honored during the NASCAR Hall of Fame Induction Ceremony on Jan. 31, 2020, in Charlotte, NC.

Tony is a three-time NASCAR series champion (and, here's a bit of trivia for you --- the only driver ever to win the Winston Cup, the Nextel Cup, and the Sprint Cup!). Maybe you can win a cup of coffee over breakfast someday with that morsel of information!

Tony was the top vote-getter among this class of inductees!

**Congratulations, Smoke!!**

Once a Bull Dog,  
Always a Bull Dog!

### Teacher of the Year- SUE GREEN

Each year the Bull Dog Alumni Association recognizes a CNHS teacher as Teacher of the Year. Nominations are collected from students and reviewed by a selection committee (from CNHS staff and the Alumni Association) according to a set of criteria that includes (among others) such things as:

- Positive & consistent classroom environment
- High expectations of students
- Motivation of students
- Timely feedback to students
- Positive student & parent relationships

The recently honored Teacher of the Year from the 2018-19 school year is Spanish teacher ***Sue Green*** from the CNHS World Language department.

You can see a quick video of Sue receiving her award by clicking on the link below:

[\*Sue Green – Teacher of the Year Video\*](#)

Sue also received a \$1,000 stipend as part of her award.

From students, staff, and the Alumni Association ---

***Thanks for all you do, Sue!!***

### 150<sup>th</sup> Anniversary Gala

The Gala Reunion that marked the “official” end of our 150<sup>th</sup> Anniversary Celebration was great fun for lots of folks. We had the Mill Race Center filled to (a little past!) capacity for a wonderful evening of fun, fellowship and (Bull Dog) family that included Bull Dogs dating back to classes in the 1940s and including current students!

One of the highlights was a little song-session led by current (May 2019) Debuteen group and Debuteen alumni. Catch a couple tunes in the video below:

<https://www.facebook.com/cnhsbulldogs/videos/872506536437438/>

You can follow the link below to access 130+ images in a Facebook album from the gala’s evening:

[\*\*Gala Picture Album\*\*](#)

(Special thanks to Amber Gilley for all the photos!!)

What a legacy we all share!! We doubt that any of us will be around to celebrate the next 150 years(!), but what we each do today and tomorrow will strengthen the foundation upon which all the current and future Bull Dogs will shape OUR shared legacy!

### Bill Stultz Receives Rotary Award

Retired CNHS Bands Director **Bill Stultz** recently received *The Alice Curry "Music Makes Your Life" Award*.

#### Retired and Still Making a Difference

The award is presented annually by the Columbus Rotary Club in recognition of a citizen or organization who has made significant contributions to the quality of life in our community by bringing, encouraging, and sustaining music in our Columbus community.

As Executive Director of the Columbus Indiana Philharmonic (CIP), active Rotarian, and community leader, Alice Curry epitomized these qualities.

Each year the local Rotary Club makes a cash donation to the Columbus Indiana Philharmonic in the name of the award winner.

Thanks to the Columbus Rotarians and to **Mr. Stultz** for being a part of enabling the Philharmonic's continued gift of music to our community!

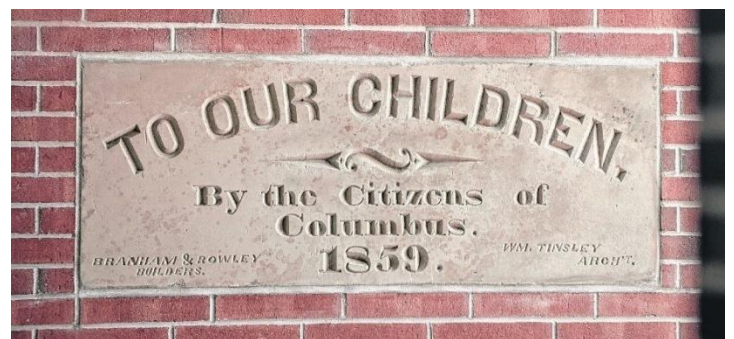

### Annual Campaign Coming

The 2019 Annual Campaign drive is just around the corner. Our annual drive is the financial cornerstone of our Alumni Association.

Please look expectantly for a message from one of your fellow alumni. Consider the Alumni Association in your annual charity strategy. The more we're around the staff and students at CNHS, the more excited we become to equip them and enable them for the great futures they have ahead of them. This writer has been involved with the Alumni Association for six years now; and those years have been incredibly fulfilling, in part due to association with so many awesome Bull Dogs.

Hopefully, many of you have seen the photo below in a recent news article already, but please enjoy (photo courtesy of *The Republic*). The stone adorned Columbus' first public school building in 1859. It's now part of the Central Middle School complex, not far from the site of that first building.

The engraved stone pretty much says it all. The times have changed, but not the mission has not.

**Please join us on that mission!!**

### 2018-19 Scholarship Winners

### ***Thank You to our Recent Donors!***

Thanks to **each of you**, the Bull Dog Alumni Association and our Special Funds and Endowments are making a big difference for Columbus North Students, Faculty, and all Bull Dog Alumni.

In 2018, we provided over \$20,000 to CNHS students and departments for scholarships and student and faculty support projects – and we are on track to grant a similar amount in 2019. Besides scholarships for new Bull Dog alums to use for post-graduate education, grants were made for a wide range of academic and extracurricular projects that helped current students and faculty excel.

In addition, in 2018 and 2019, we celebrated the 150<sup>th</sup> anniversary of Columbus/Columbus North High School with a series of special events and projects culminating in the May 11<sup>th</sup> 150<sup>th</sup> Anniversary Gala Reunion and the publication of **The Story of CNHS, 150 Years** – the 160-page hardcover history of the school.

Over 300 generous individuals, families, and organizations made these 2018 and 2019 projects possible by donating during 2017, 2018 or 2019.

**Thank you, Donors!**

Many donors made their donations to the Bull Dog Alumni Association general fund, to be used in the area of greatest need. Other donors directed their contributions to specific projects like the John Johnson Studio Production Scholarship or the publication of our School History book. Many others donated to one of our Special Funds or Endowments. These donations are invested so that scholarships and grants may be made from the funds for many years to come:

- Marian Callon Endowment
- John Carmichael “True Blue” Endowment
- Michael Garber Memorial Fund
- John Hinds Tradition of Excellence Fund
- Shirley Lyster Endowment for Excellence in English Education
- Andy Russell Endowment for the Performing Arts

The Donor Honor Roll on the following pages attempts to recognize all our generous donors during the 2017-to-early-2019 period. We have tried very hard to:

- Include all donors
- Spell names correctly
- Provide correct CHS/CNHS graduating class data
- Honor the wishes of those donors who choose to remain anonymous

We apologize for any mistakes or omissions. Please email us at [cnhsalumni@bcsc.k12.in.us](mailto:cnhsalumni@bcsc.k12.in.us) with any corrections or additions.

Bull Dogs

The Bull Dog fall sports squads are hard at work. Some teams have already opened their seasons. Due to an unforeseen issue, the little pocket schedules that are normally available may not be available for the fall. The schedule above will work for now.

You can also check the individual sports' pages available on the CNHS Athletics site:

<https://columbusnorthathletics.org/>

Get out and support your favorite teams;

and, as always;

GO DOGS!!

### History Interviews

One exciting activity that occurred as part of our 150<sup>th</sup> Anniversary activities was a project undertaken by the CNHS Media Department to interview alumni from several different (eight!) decades.

They were able to schedule, interview, and archive interviews with over thirty alumni. Graduating classes represented ranged from:

1944

---

2015

They have archived these video interviews on YOUTUBE and made their library available for us to share with you.

Please enjoy! You can access all the interviews at the link below:

### New Website

In July, a newer version of our website was launched. Essentially, the underlying technology supporting the old website became obsolete and unsupported; so, changes were imperative.

It looks different than the previous website.

We ask that you please check it out and let us know what you think.

It is located at the same address as the former:

<https://www.columbusnorthalumni.org/>

Gone are some of the intermediate web pages which have been replaced by “drop-down” options from the main menu bar.

So, please explore; and let us know what you think about:

- Content
- Appearance
- Ease of use
- Any confusing areas
- Suggested changes or additions
- Any errors encountered?

We really appreciate any feedback you take the time to provide us.

You can email us your comments at:

Please put “NEW WEBSITE” in the subject line of your message. Thanks, and happy exploring!!
